RE-ENTRY

Graduate Testimonials

- "Re-Entry is the foundation of restoration and a major step in the process." - Eddie Slade
- "The IMPACT Re-Entry program inspired me to empower others facing similar barriers to success. I became a Re-Entry Class Facilitator working at the very place that gave me a second chance and a new lease on life. I am the IMPACT ripple effect." - Roshelle Pate
- "IMPACT's Re-Entry program has not only given me the opportunity to have a career, but a life." - William Graves

The three-week course features three curriculums:

- *Mis-Socialization of Men and Women*
- *Social Skills*
- *Love Notes*

Eligibility Standards:

- Must be a Franklin County Resident
- Must be within one year of release from incarceration
- Must be able to pass an initial drug screen
- Cannot have a sex offense or arson charge on record
- Must be 125% of the Federal Poverty guidelines

Re-Entry's has a holistic approach to positive socialization in the community, employment settings, and with domestic relationships

Participants are matched with a Self-Sufficiency Coordinator who will help them complete initial assessments, develop Individual Service Plans, and help overcome barriers.

For each completed week of training, Participants receive a \$100 training stipend (\$300 total for completion)

Workforce Development, Pathways Program
1331 Edgehill Rd
Columbus, OH 43212

Welcome to the Pathways Program at Goodwill Columbus at the Battelle Career Education Center located at 1331 Edgehill Road, Columbus, OH 43212!

How would you like to participate in an exciting program that can lead to you working in a job of your choice? Goodwill Columbus is proud to present a program to provide each jobseeker with the necessary skills to succeed at work. You will discover in the Pathways Program new and innovative curriculum that will help jobseekers learn expectations of the contemporary workplace and provide tools needed to succeed at work.

Our team is ready to accept referrals from jobseekers that are non-custodial parents with a minor child that have an open Franklin County Child Support Enforcement Agency (CSEA) case and living in Franklin County.

We are seeking jobseekers that are willing/motivated to participate in intense **FREE** programming that will result in increased income through employment. Interested jobseekers can be both unemployed and underemployed and may be participating in other Goodwill Columbus Workforce Development programs.

Free Services through the Pathways Program include:

- Computer Basics
- Career Boot Camp
- Access to Computer Resource Room
- Job Seeking Assistance
- Individualized Career Consultation
- Job Coaching/Mentoring
- Employment Retention follow-up
- Peer Support Meetings
- Case Management

After successfully completing the Pathways Program, jobseekers are invited to attend a formal graduation ceremony and reception at Goodwill Columbus.

For further information about this exciting program call 614.583.0250 and request the Pathways Program.

Thank you and we look forward to hearing from you soon!

Marti Smith, BS, Career Consultant

WorkReady

Empowerment Series

Critical Thinking- Learn how critical thinking can help you to problem solve and perform better on the job. Participants will gain insight into the different methods of critical thinking and how applying these skills every day can lead to long term success. *Mondays 9am-12pm*

Resume Development- Learn techniques to develop a resume that accurately states your skills, experience and educational background. Learn how to identify transferrable skills and how they are applicable to your future career plans. *Mondays 9am-5pm*

Interview Techniques- Learn the importance of self-marketing through networking and active job search. Participate in mock interviews and role play to practice and enhance your interviewing skills. *Tuesdays, 9am -12pm*

Communication Skills- This workshop will give you tips on how to get through to your new co-workers and supervisor. Learn how to enhance your presentation and public speaking skills, develop your online presence with strong and appropriate digital communication, and improve the outcomes of your face-to-face interactions. *Tuesdays 1pm-4pm*

Conflict Management- Identify your conflict management style and areas for improvement. This workshop is designed to increase awareness of key social and emotional management skills and how the effective use of both can lead to positive conflict resolution, provide a greater opportunity for job retention, and ultimately lead to personal and professional development. *Wednesdays 9am-12pm*

Teamwork: Benefits and Challenges- This workshop will help you to become a better team player. Learn the benefits of working in a team and how having a clear understanding of roles and responsibilities can lead to the successful completion of team projects. This workshop is designed to help you work better with others toward a common goal and address challenges as they come up. *Wednesdays 1pm-4pm*

Ethics in the Workplace- Each company has its own set of morals, values, and expectations when it comes to how employees conduct themselves in and out of the workplace. In this workshop, you will discuss and analyze how to approach those ethical situations in order to achieve a favorable outcome for all involved. *Thursdays 9am-12pm*

The Personal Path to Success- This professional development workshop will help you to identify your personal Strengths, Weaknesses, Opportunities, and Threats as it relates to finding gainful employment (SWOT analysis). Learn how to improve where needed, highlight your most positive characteristics, and how to identify and secure a professional mentor to help you along the way. *Thursdays 1pm- 4pm*

Meet with a Career Advisor to reserve a spot or call 614-559-4786

FastPath. Your Road to Job-Ready.

FastPath is a program that helps Columbus residents gain the job skills for entry-level employment in one of four growing fields:

- Patient Care (STNA certification)
- Logistics (Warehousing Operations certification)
- Childcare (Child Development Associate Credential)
- Construction Trades (OSHA-10 certification)

In the FastPath program, you will learn:

- Entry level skills for your chosen field
- Customer service
- Organization
- Time management
- Work success skills

In addition, we will guide you through the steps to help you get a job, including:

- Résumé writing
- Interview preparation
- Job application support

"I wasn't able to financially go back to school, so this program worked out well."

Angela Brock
Nationwide Children's Hospital

Eligible Candidates

To be eligible for FastPath, you must:

- Be a resident of the City of Columbus
- Be at least 18 years old
- Have a high school diploma or GED* and score at the 9th-grade proficiency level on a standardized placement test
- Pass a criminal background check and drug screen
- Be eligible to work in the U.S.

IMPORTANT: Candidates must meet ALL criteria to be accepted into the FastPath program.

* If you don't have a high school diploma or GED, please contact us at (614) 287-5858 to discuss GED class enrollment.

Get on the FastPath to your career in less than three months!

Each of these paths begin with an opportunity for growth that can lead to:

- Long-term employment stability
- Higher paying wages
- Continuing education

Position	Average Wages	Employment Outlook
Patient Care	\$9.68 - \$15.51	Growing faster than average!
Child Care	\$8.68 - \$11.53	
Logistics	\$9.36 - \$14.31	
Construction	\$9.00 - \$14.02	

These paths are just the start of your career – wages increase with additional training and experience and your skills can easily transfer into other industries.

Choose FastPath To:

- Earn a valuable employment credential in less than three months.
- Receive Training at no cost to the student.
- Learn by doing—in the lab and classroom.
- Receive Job placement assistance - We have an 80% placement rate!
- Discover options to continue your education.
- Get the job. Keep the job. Move up in your chosen career.

Get on the FastPath!

Construction Trade Skills

- OSHA-10 Certification
- Lead Renovation Repair Certificate

Classes Starting!
February 1st 2016

Don't Delay!

Construction and repair skills are utilized in many environments such as property maintenance, renovation and repair, residential construction and commercial construction. This hands-on, eight week FastPath construction skills training program will prepare you to work effectively in the construction industry by providing the basics in several skill areas such as demolition, carpentry, painting, plumbing, electrical, roofing, and much more. Upon successful completion, you will earn your OSHA-10 certification and a certificate in lead renovation repair.

Job Duties for an entry level construction skills worker include: performing a variety of construction and maintenance related activities such as carpentry, roofing, demolition, renovation and more. Workers assist with gathering the proper tools and materials, making repairs, taking apart equipment, cleaning up sites, disposing of waste, as well as helping with any other needs of craft workers.

Classes Held:

- Monday through Friday
- 9:00 am – 3:00 pm
- For 8 weeks

Average Wages:

- \$9.00 to 14.02/ hr.

Eligibility:

- Resident of the City of Columbus
- Be at least 18 years old
- High School Diploma/GED
- Eligible to work in the U.S.
- Complete a criminal background check and pass a drug screen

Supply Chain Operations

- CSCMP™ Customer Service Certification
- Dispatching
- Warehousing

Classes Starting Soon!

February 1st

Don't Delay!

Logistics Associates are involved in many positions within the supply chain process. Positions include: receiving, packing, shipping and processing orders, dispatching, office support, vendor relations, and more. This hands-on six week FastPath supply chain operations training program will prepare you to work effectively in the logistics industry, from factories and warehouses to distribution centers and transporters. Upon successful completion, you will earn your CSCMP™ Customer Service certification.

Job Duties for logistics associates includes product receiving and storage, order processing, inventory control and workplace safety. As a dispatcher, you will plan and coordinate the transportation of shipments, communicate with contractors and customers, process orders and invoices, and much more.

Classes Held:

- Monday through Friday
- 9:00 am – 3:00 pm
- For 6 weeks

Average Wages:

- \$9.36 to \$14.31/hr.

Eligibility:

- Resident of the City of Columbus
- Be at least 18 years old
- High School Diploma/GED
- Eligible to work in the U.S.
- Complete a criminal background check and pass a drug screen
