WorkReady

Empowerment Series

Critical Thinking- Learn how critical thinking can help you to problem solve and perform better on the job. Participants will gain insight into the different methods of critical thinking and how applying these skills every day can lead to long term success. ***Mondays 9am-12pm***

Resume Development– Learn techniques to develop a resume that accurately states your skills, experience and educational background. Learn how to identify transferrable skills and how they are applicable to your future career plans . ***Mondays 9am-5pm***

Interview Techniques– Learn the importance of self-marketing through networking and active job search. Participate in mock interviews and role play to practice and enhance your interviewing skills. ***Tuesdays, 9am -12pm***

Communication Skills- This workshop will give you tips on how to get through to your new co-workers and supervisor. Learn how to enhance your presentation and public speaking skills, develop your online presence with strong and appropriate digital communication, and improve the outcomes of your face-to-face interactions. ***Tuesdays 1pm-4pm***

Conflict Management- Identify your conflict management style and areas for improvement. This workshop is designed to increase awareness of key social and emotional management skills and how the effective use of both can lead to positive conflict resolution, provide a greater opportunity for job retention, and ultimately lead to personal and professional development. ***Wednesdays 9am-12pm***

Teamwork: Benefits and Challenges- This workshop will help you to become a better team player. Learn the benefits of working in a team and how having a clear understanding of roles and responsibilities can lead to the successful completion of team projects. This workshop is designed to help you work better with others toward a common goal and address challenges as they come up. ***Wednesdays 1pm-4pm***

Ethics in the Workplace- Each company has its own set of morals, values, and expectations when it comes to how employees conduct themselves in and out of the workplace. In this workshop, you will discuss and analyze how to approach those ethical situations in order to achieve a favorable outcome for all involved. ***Thursdays 9am-12pm***

The Personal Path to Success- This professional development workshop will help you to identify your personal Strengths, Weaknesses, Opportunities, and Threats as it relates to finding gainful employment (SWOT analysis). Learn how to improve where needed, highlight your most positive characteristics, and how to identify and secure a professional mentor to help you along the way. ***Thursdays 1pm- 4pm***

AC/BJW 2.10.15

FastPath. Your Road to Job-Ready.

FastPath is a program that helps Columbus residents gain the job skills for entry-level employment in one of four growing fields:

- Patient Care (STNA certification)
- Building Services (OSHA certification)
- Food Services (ServSafe™ certification)
- Logistics (Certified Logistics Associate certification)

In the FastPath program, you will learn:

- Entry level skills for your chosen field
- Basic computer literacy
- Customer service
- Organization
- Time management
- Work success skills
- Financial literacy

In addition, we will guide you through the steps to help you get a job, including:

- Résumé writing
- Interview preparation
- Job application support

Eligible Candidates

To be eligible for FastPath, you must:

- Be a resident of the City of Columbus
- Be at least 18 years old
- Have a high school diploma or GED* and score at least at the 9th-grade proficiency level on a standardized placement test
- Pass a criminal background check and drug screen
- Be eligible to work in the U.S.
- Be recommended through a workforce partner (see back of brochure)

IMPORTANT: Candidates must meet ALL criteria to be accepted into the FastPath program.

* If you don't have a high school diploma or GED, please contact us at 614/287-5858 to discuss GED class enrollment.

Get on the FastPath to your career in less than two months!

Each of these paths begin with an opportunity for growth that can lead to:

- Long–term employment stability
- Higher paying wages

Position	Average Wages	Employment Outlook
Patient Care	$9.68 - $15.51	Growing faster than average!
Building Services	$9.35 - $14.00	
Food Services	$9.32 - $14.26	
Logistics	$9.36 - $14.31	

These paths are just the start of your career – wages increase with additional training and experience and your skills can easily transfer into other industries.

ROADS2WORK DRIVERS WANTED

An OMJ – Columbus- Franklin County Training Program

Roads2Work is a 5-week training program to help job seekers obtain full time employment in the trucking/transportation industry. *Roads2Work* has two tracks: *TRACK A* serves drivers who already have their CDL-A/B and will be offered as a "refresher course" or an On-the-Job Training (OJT) opportunity to address time-gaps in driving and length of experience. *TRACK B* serves new drivers delivering training to meet the demand of local and over the road companies. Beyond the technical and job search training, *Roads2Work* will address the enhancement of essential skills needed to obtain and maintain employment. From a positive workplace attitude and strong work ethic to financial literacy and conflict resolution, *Roads2Work* will help participants navigate the road to a new or improved career!
